

38th Annual Sale

HEBBERT

Charolais Bulls

Saturday April 11, 2020 - 1:00 p.m. MST - Hyannis, Nebraska

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

Turn in Bids Over the Phone.

This is our traditional method of buying livestock. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it, or scan and email the form to info@superiorauction.com. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid.

This is Superior's online bidding platform for cattle buying. Please note that high speed internet is required – this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction.

There are 2 places to view the sale broadcast live on the internet: www.superiorlivestock.com or www.superiorclicktobid.com. Just go to the home page of either website and select the auction. If you just want to watch the auction on your computer, smartphone or tablet go to www.superiorlivestock.com, but if you want to bid over the computer you must go to www.superiorclicktobid.com. Remember you can call in to bid on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid". Your computer must have Flash Media Player installed for this website to view the auction. If you have any questions, please call the Superior Productions office at 800-431-4452.

**If you plan to bid by phone through Superior Livestock or 'Click-to-Bid', you must register at www.superiorlivestock.com prior to bidding.*

Charolais Crossbred Calves

The most noted advantages of crossbreeding are heterosis (hybrid vigor) and breed complementarity. 'Charolais is the lone wolf among all other potential terminal breed options. No other option currently offers the greatest terminal cross breeding value from the ranch through the feeder like a really good set of smokes or buckskins.'

(Jared Wareham, Drovers Magazine - August, 2019)

HEBBERT

Charolais Ranch

We are fortunate to be in a business that connects us with cattle producers from all across the country. We acknowledge the diversity of each operation in its approach towards beef production. Please call if we can assist you in finding bulls to fit your cattle breeding program. We look forward to visiting with you!

Every bull offered for sale will have passed a complete breeding soundness exam. Scrotal measurement information will be available sale day. All bulls tested negative for BVD and will be furnished with interstate health papers.

Bulls going to states which require trich tests on virgin bulls will be tested before delivery.

GUARANTEE

All bulls sell backed by the Hebbert Ranch Guarantee. They are guaranteed throughout the first breeding season against injury or death. If a replacement bull is not available, credit will be issued at the next annual sale. All claims for replacements need to be made by September of the current year.

DELIVERY

Another added value of our program is free delivery within a radius of 500 miles. Should you choose to haul your own purchases on sale day, we offer a \$100/bull delivery rebate.

ANNOUNCEMENTS

Announcements from the auction block on sale day take precedence over information in this catalog.

LIABILITY

Hebbert Charolais does not assume any liability in case of accident or loss of property.

The bulls we use in our breeding program represent proven genetics. They are consistent in type, moderately framed with above average muscle and excellent feet and legs. The average CE EPD of 6.0 and BW EPD of -0.3 for the bulls offered for sale reflects our commitment to calving ease.

All Hebbert Charolais pedigrees carry a heavy influence of American International Charolais Association Trait Leading Sires. These AICA Trait Leaders are proven bulls that have been identified as top ranking, High Accuracy Sires excelling in individual and combined traits such as calving ease, birth, weaning and yearling weights and carcass merit.

Functional cows are the backbone of our operation. We cull our cows rigorously, keeping only the best. Every cow in the herd has been bred on the Hebbert Ranch. This has enabled us to stack generations of pedigrees high in maternal traits and qualities consistent with problem free cows - particularly udder structure, fertility, calving ease, disposition, total performance and structural soundness.

Hebbert Charolais
2011, 2012, 2013, 2016, 2017, 2018 & 2019 Area 4 Top Registration Award

The American International Charolais Association's Dam of Distinction program recognizes dams that have consistently weaned calves with above average weaning weights and calving intervals of 380 days or less.

Over the past seven years, 2013-2019, Hebbert Charolais is the #2 breeder in the nation for the number of Dams achieving AICA Dams of Distinction designation.

Hebbert Charolais has 50 Active Dams of Distinction

**RANGER
LIMITER**

With each year comes some new changes. Hebbert Charolais has partnered with Cargill Animal Nutrition and Farmer's Co-op to begin growing and developing the bulls right here on the ranch. Since October, the bulls have been fed the Ranger Limiter and free choice hay. The bulls have shown steady growth without the excess fat. They have developed into hard muscled bulls ready to go to work for you!

- TSI & Marbling Genetic Merit Indicators
- Allows for Documentation of Seedstock Providers, Health & BQA Certification
- Increased Exposure for Charolais-influenced feeder cattle

RANCH HISTORY James Wright, a native of Grant County, Wisconsin, came to Nebraska in 1872 with his parents. They arrived with three teams of oxen and forty head of cattle. In Hamilton County, Nebraska, James bought a homestead right and timber claim of 80 acres. In 1886, he headed west to the Sandhills of Nebraska and settled in Grant County, purchasing land in 1887.

A biography of Western Nebraska settlers noted that James went through hard times after locating here, suffering at different times from droughts, severe storms and prairie fires.

James was the father of four boys. His son, Ben, took over a portion of the ranch and continued in the cattle business, buying additional neighboring homesteads. Opal, one of Ben's three daughters, inherited a share of the land. She and husband, Merle Rex, formed Hebbert & Rex, Inc with their daughter, Merla, and her husband, Mose Hebbert. Their son, Dave, was the fifth generation to ranch in Grant County. Dave and wife, Mickie, raised three sons - Matt, Jake and Josh. Matt, and wife Lacy, are currently raising the seventh generation, Dillon (9) and Waylon (7) on the family ranch.

What began as a Hereford based commercial cow-calf ranch transitioned into a purebred operation with the purchase of the first registered Charolais cows in 1978. The last of the commercial cows were sold in 1982 and the Hebbert Charolais partnership was formed between Dave and Mickie and Dave's parents, Mose and Merla Hebbert. Matt and Lacy Hebbert have since joined in the partnership.

Dave, who passed in 2017, left our family with a legacy of a 'love for ranching, raising good cattle, riding good horses and being a faithful steward of the land'.
