HEBBERT

Charolais Bulls

Saturday April 10, 2021 - 1:00 p.m. MST - Hyannis, Nebraska

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

Turn in Bids Over the Phone.

This is our traditional method of buying livestock. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it, or scan and email the form to info@superiorauction.com. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid.

This is Superior's online bidding platform for cattle buying. Please note that high speed internet is required – this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction.

There are 2 places to view the sale broadcast live on the internet: www.superiorlivestock.com or www.superiorclicktobid.com. Just go to the home page of either website and select the auction. If you just want to watch the auction on your computer, smartphone or tablet go to www.superiorlivestock.com, but if you want to bid over the computer you must go to www.superiorclicktobid.com. Remember you can call in to bid on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid". Your computer must have Flash Media Player installed for this website to view the auction. If you have any questions, please call the Superior Productions office at 800-431-4452.

*If you plan to bid by phone through Superior Livestock or "Click-to-Bid", you must register at www.superiorlivestock.com prior to bidding.

Functional cows are the backbone of our operation. We cull our cows rigorously, keeping only the best. Every cow in the herd has been bred on the Hebbert Ranch. This has enabled us to stack generations of pedigrees high in maternal traits and qualities consistent with problem free cows – particularly udder structure, fertility, calving ease, disposition, total performance and structural soundness.

Hebbert Charolais

Another added value of our program is free delivery within a radius of 500 miles. Should you choose to haul your own purchases on sale day, we offer a \$100/bull delivery rebate.

ANNOUNCEMENTS

LIABILITY

Hebbert Charolais does not assume any liability in case of accident or loss of property.

- Nebraska Pioneer Award - 1986
- American International Charolais Association Seedstock Producer of the Year - 1996
- NCA Outstanding Producer Award - 2010
- Dave & Mickie Hebbert - AICA Hall of Fame Inductees - 2018

The bulls we use in our breeding program represent proven genetics. They are consistent in type, moderately framed with above average muscle and excellent feet and legs. The average CE EPD of 6.2 and BW EPD of -.8 for the bulls offered for sale reflects our commitment to calving ease.

All Hebbert Charolais pedigrees carry a heavy influence of American International Charolais Association Trait Leading Sires. These AICA Trait Leaders are proven bulls that have been identified as top ranking, High Accuracy Sires excelling in individual and combined traits such as calving ease, birth, weaning and yearling weights and carcass merit.

Charolais Crossbred Calves

The most noted advantages of crossbreeding are heterosis (hybrid vigor) and breed complementarity. 'Charolais is the lone wolf among all other potential terminal breed options. No other option currently offers the greatest terminal cross breeding value from the ranch through the feeder like a really good set of smokes or buckskins.'

(Jared Wareham, Drover's Magazine - August, 2019)

RANGER LIMITER

Hebbert Charolais has partnered with Cargill Animal Nutrition and Farmer's Co-op to begin growing and developing the bulls right here on the ranch. Since October, the bulls have been fed the Ranger Limiter and free choice hay. The bulls have shown steady growth without the excess fat. They have developed into hard muscled bulls ready to go to work for you!

Ranch History

James Wright, a native of Grant County, Wisconsin, came to Nebraska in 1872 with his parents. They arrived with three teams of oxen and forty head of cattle. In Hamilton County, Nebraska, James bought a homestead right and timber claim of 80 acres. In 1886, he headed west to the Sandhills of Nebraska and settled in Grant County, purchasing land in 1887.

A biography of Western Nebraska settlers noted that James went through hard times after locating here, suffering at different times from droughts, severe storms and prairie fires.

James was the father of four boys. His son, Ben, took over a portion of the ranch and continued in the cattle business, buying additional neighboring homesteads. Opal, one of Ben's three daughters, inherited a share of the land. She and husband, Merle Rex, formed Hebbert & Rex, Inc with their daughter, Merla, and her husband, Mose Hebbert. In 1982 the Hebbert Charolais partnership was established by Mose, Merla, their son, Dave, and his wife Mickie. Dave and Mickie's oldest son, Matt, and wife, Lacy, joined the partnership and are currently raising the seventh generation, Dillon (10) and Waylon (8) on the family ranch.
